Field Descriptions (F12) indicates code lookup is available.

STARTING COUNTY (F12)
Enter the county code (three characters) that you want to access.

SEL
Enter an "A" to add a county to the list or "M" to modify an existing county on the list.
Only the workers responsible for maintaining tables will be able to update this screen.

COUNTY - CODE
This field will display the three-character CAPS county code assigned to the county.

COUNTY - DESCRIPTION
This field will display the description of the listed county.

REG NUM
This field will display the region number the listed county is in.

POPULATION - TOTAL
This field will display the total population for the listed county.

POPULATION – UNDER 18

This field will display the population who are under the age of 18 for the listed county.

ASUM IND
This field will display "Y" (yes) if the county is an assumed county, "N" (no) if the county is <u>not</u> an assumed county or "B" (both) if the county is both an assumed and non-assumed county.

JUD DIS
This field will display the judicial district the listed county is in, if applicable.

Additional Information

None.
